The northernmost Hawaiian island, Kauai is carpeted in lush greenery and ornamented with a rainbow of flowers and cornucopia of succulent tropical fruit. Its unspoiled scenic beauty has been the backdrop for more than 60 feature films including Blue Hawaii, South Pacific, Raiders of the Lost Ark and Jurassic Park.

Rise to the Platinum Elite challenge and you and your guest won't just see Kauai's natural wonders, you'll immerse yourself in them.

What's it like to soar over tropical forests, streams and jungles rich in magnificent splendor? Find out by getting into the rigging of the Backcountry Zipline Adventure. Experience a thrilling zipline descent on one of Kauai's mountains and then enjoy the sun and a natural swimming hole at the bottom.

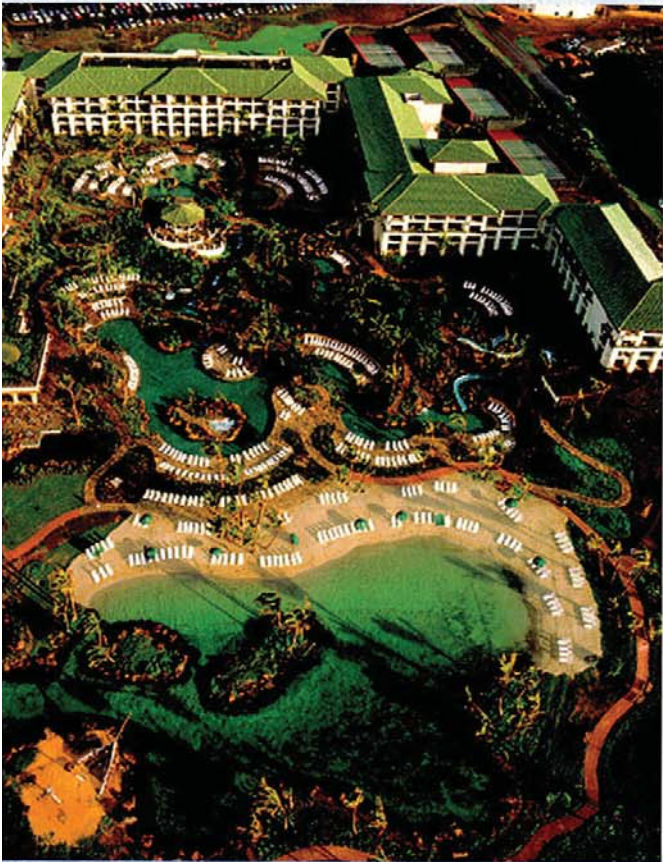

Prefer to stay on the ground? No problem. Mount up on your personal all-terrain vehicle and explore breathtaking Mount Waialeale. You'll even have the chance to ride up a private ridge trail to an unforgettable scenic overlook.

Or maybe kayak around a 2,000-foot volcano in the Hule'i'a National Wildlife Refuge. Then strike out on land for a hike through Hidden Valley, a pristine rainforested valley dotted with beautiful waterfalls and swimming holes with rope swings.

Let the wind do the work while you relax and enjoy a catamaran snorkel-sail adventure. Thrill to an up-close look at the famous Na Pali Coast cliffs soaring 4,000 feet above the Pacific and then plunge in for a close encounter with Kauai's exotic aquatic life. And don't forget a thrilling Waimea Canyon Downhill Bike Ride that includes an overview of Hawaiian history, culture, folklore and legends.

Golf enthusiasts will have their choice of two courses featuring oceanfront views, spectacular vistas and even carefully preserved ancient ruins. It's total tropical enchantment in paradise's garden spot.
